JHHH PLANS TO RESCUE MORE ORPHANS

A WORD FROM KENYA DIRECTOR, BISHOP PETER NJAO

A common question we encounter is whether JHHH is still primarily a children's home or if our focus has changed to become mainly a school. Although we have established a premier school on our property, **Jesus Hobbs will continue to focus, by the grace of God, on its primary mandate and vision of rescuing street kids, those poor, desperate orphans and less fortunate kids in the society aged 3—7.**

The lives of our first lot of kids rescued and brought to Jesus Hobbs House of Hope Children's Home (orphanage) have been transformed miraculously by the power of God! **Here they are pictured when we received them in 2008, and how they are today in 2016.** All of them have grown big, healthy and have received a first class education, with most being admitted to the best National premier schools in Kenya.

This could not have been possible without the help of the Almighty God and Jesus Hobbs Children's Home as the institution that warmly opened up its heart and door in acceptance of them. We thank God for Kristi Hobbs, the Alamo City Mercy Foundation, the Sponsors and all who have supported the kids and institution to grow thus far.

Through God's grace, we have been able to be good stewards of God's provisions and have been able to put to good use all the resources granted to us. **We humbly appeal by the mercies of God, that you join us through your support to rescue more kids so as to maintain our God given vision to rescue, help and empower these poor orphans.** Join us too in prayer as we go through this delicate and complex process in search and admission of the second lot of kids.

We love you, Peter and Jemimah Njao

A Word from ACMF Chairman of the Board , Dr. David C. Walker

As you can easily tell from the words and pictures in this newsletter, 2016 has been an eventful and rewarding year for the Mercy Foundation. These orphans didn't have a chance in this world until the kindness of Jesus showed up, and in so many ways that kindness showed up through your generosity! On their behalf, thank you. You have made a difference in the life of a fatherless and motherless child nobody cared anything about.

May I ask you to please remember them as 2016 draws to a close and you consider your giving? I am convinced that your dollars are being used very carefully, wisely and prayerfully. And lots of good things, lots of "mercy things," are happening!

Thank you and bless each one of you for your obedience to the Lord's leading in the Mercy Foundation's behalf.
