A time to sow...

...and a time to reap.

beautiful in its time." Ecclesiastes 3:11*

Personal Word from Kristi Hobbs

Our ultimate goal at the "House of Hope" is to be self-sustaining. By means of our rabbits, chickens, garden, and even our water, this is definitely an attainable goal. There is still much to be done, however, and until that time of self-sufficiency, we will continue to need additional funding. We fully trust the Lord to provide, and have witnessed His provision over the years through your faithful gifts. With the gifts we receive comes the responsibility of stewardship. We accept the responsibility that every dollar misspent could be a child's life misspent. Thank you for entrusting to us your gifts. We remain forever grateful. ~ Kristi
